Code of Conduct

COACHES

- Remember the Laws of the Game mean less than a long-established accepted spirit in which the game is played and supported.
- Remember that without a referee you cannot have a game, so make them welcome and respect their decisions.
- Condemn any sort of violence or practice against laws.
- Be positive. Don't criticise. Encourage from the touchline, but don't resort to harassment or unseemly language.
- Please always take the view that the game is played for enjoyment. Encourage the youngsters to enjoy themselves by positive coaching and well planned sessions and when competing, to win with modesty and lose with dignity.

PLAYERS

- A good player is a self-disciplined person – stay in control of yourself always.
- Accept the referee's decision and never argue with him.
- Work hard on your own game and learn to co-operate with other members of your team.
- Respect the opposition and applaud them afterwards, warmly and genuinely.
- Play for the fun of competing – not just to please others.

PARENTS

- Accept the referees decision – without them you cannot have a game.
- Any form of violence or practice against the laws is to be discouraged, especially by shouts from the touchline.
- Applaud all good play – not just your own team's.
- Respect the opposition and all authority figures.
- Remember that youngsters are not there primarily to entertain you or meet your expectations.
- Be positive. Give Encouragement NOT Criticism.
- Please remember the game is played for enjoyment. Encourage the children to enjoy themselves and to win with modesty and lose with dignity.
- Never use unseemly language.

Festival Rules

- Age group organisers and control points request the cooperation of team coaches and referees in starting games promptly at the published time.
- For all age groups, the Maidenhead Festival will be governed by the New Rules of Play effective September 2014 with any exceptions agreed at the referees briefing for each age group.

- Age group details are as below:

U10	6 mins e/w	8	12
U11	7 mins e/w	9	14

- Points will be awarded on the basis of **Win = 4, Draw = 2 and Lose 1**
- In the event of a points tie between two teams in the pool, the winner will be decided by
 - who was the winner of the match between those two teams
 - if that tie was drawn, it will be decided in order of the team with most wins
 - the difference between points 'for' and 'against'
 - the highest number of tries
 - toss of a coin.
- The Maidenhead RFC Tournament Director and/or Tournament Referee will judge any disputes.
- All teams must provide appropriate letters of dispensation to the Age Group Control Tent prior to matches commencing. Age limits must be strictly observed and any team playing an over age player will be excluded from the competition.
- In the event of a colour clash, the second named team is requested to borrow an alternative strip.
- The maximum score differential to be allowed is 6 tries (30 points) at which time the referee should call a halt.
